Case Number: 1:10-cv-01541-CKK
Filer:
Document Number: No document attached

Docket Text:

MINUTE ORDER. The Court is in receipt of Defendant EPA's [93] Motion to Extend Partial Consent Decree Deadline and [94] Motion to Expedite Consideration of said motion. Plaintiff may file its response to Defendant's motion to extend by **SEPTEMBER 1, 2017**, although if Plaintiff is able to file its response sooner, that will increase the likelihood that the Court can make a timely decision. In its response, Plaintiff should indicate whether it is willing to agree to *any* length of extension, with the condition that there be no further extensions. Further, by no later than **AUGUST 23, 2017**, Defendant shall file a supplement with the Court, explaining (1) why such a lengthy extension is required (for example, why is TCEQ not able to submit a SIP sooner than March 31, 2018?), (2) if an extension were not granted, is the EPA prepared to sign for publication a notice promulgating the FIP by September 9, 2017? Signed by Judge Colleen Kollar-Kotelly on 8/18/2017. (lcckk3)
